

Perhaps the most deeply cherished novel among Heyer fans, Arabella is the story of a poor girl who captures the heart of a handsome and wealthy bachelor. When Arabella first arrives in London, she has only one mission: to snare a rich husband. With a mind to beat the competition, she pretends to be a rich heiress and soon finds herself the talk of the town, pursued by the most eligible bachelors in the city. But she has her sights on one man only: the much-hunted Mr Beaumaris. Our feisty heroine puts up a fight and deals the worldly-wise Beaumaris a deft hand in the game of love; at first grudgingly charmed, he soon becomes smitten. However, what will he think of her deceitful charade? Will it ruin her chance to be with the perfect man? Arabella contains some of Heyers most witty dialogue and romantic banter; with its delightful and laugh-out-loud passages it is no wonder it remains the fan favorite.
