

Ethical business behavior has an unexpected payoff: it reduces the likelihood of violence. This insight forms the basis of *Business, Integrity, and Peace*, first published in 2007. Academic and popular interest in the topics of corporate responsibility and peace through commerce has surged. This book demonstrates that the adoption of generally accepted ethical business practices does not require wholesale changes in corporate governance. It does require, however, the development of more reflexive and self-regulating models of corporate decision-making, drawing upon three strands of existing corporate responsibility approaches: the legal, the managerial, and the aesthetic. Fort introduces the concept of Total Integrity Management, providing an integrative framework that transcends disciplinary boundaries to create ethical corporate cultures, which in turn offer the best opportunity for corporations to become instruments of peace. *Business, Integrity, and Peace* is an important and provocative work that will appeal to academic scholars, business leaders and policy-makers alike.

Combat Medic Special Ops (CD-ROM), 1e, BK English Communication Skills in the New Millennium(Level III) by Senn (2001) Hardcover, Long-Term Care, Art Nouveau: An Anthology of Design and Illustration from The Studio (Dover Pictorial Archive), Baseball Stories for the Soul : 50 Stories, Poems & Other Soulful Inspirations about Americas Favorite Pastime, Refined: Turning Pain into Purpose, Mentorship 101: Bringing Out The Treasure In Gods People, Muslim Separatism: The Moros of Southern Philippines and the Malays of Southern Thailand (South-East Asian Social Science Monographs), John Quincy Adams (American statesmen), Prayers for My Dear Friend,
