

In a parallel universe...An unsuccessful romance novelist, handsome Aries Valentino, fakes being gay and finds himself ensnared in a political campaign and fiendish plot that could decide the future not only of the United States but of the World as in this universe, Donald Trump is evil, racist and orange, running for President and heâ€™s a Republican with a bad comb over, thick neck and a pot belly. A chronic liar with small hands and man boobs, the racist fake billionaire, a germ-phobic tweet abuser, and phony University Dean with a nasty disposition wants to rule the world with his inner circle of knuckleheads, thereâ€™s Corey, an abusive ill-tempered campaign manager (FIRED), mean and dim Sarah Palin and legions of Neo-Nazis and Klansmen. Plus, heâ€™s got it bad for Aries Valentino! Nothing at all like our present universe. A comedy, and satire sort of. Pure fantasy â€”cough, cough, cough.
