

The use of modern technology makes an inspiring connection between cloth and paper. Ahead of her time, this innovative artist was on the forefront of scrapbooking with her bestselling book *Applique Paper Greetings*. In this updated version, you can explore the joys of an artful memorabilia presentation. Elly describes scrapbooking as artistic sensibility intertwined with sentiment. In eight sequential lessons, this renowned author and authority teaches card making for any occasion, from simple cut-out designs to more complex pop-ups, colorful mobiles, and banners. Ribbon flowers and other embellishments are offered, as well as TechnoFancies, which are cards decorated by the sewing machine. Easy-to-use, readily available, fusible web bonding is the main supply for binding fabric to paper to create these customary and delightful greetings. Stitchers and cutters, quilters and card makers become kindred spirits in this delightful mix of media.
