

What the Scriptures say about wealth and money. Would it surprise you to know that the following books are based on God's universal principles of success? "The Secret" by Rhonda Byrne "As a Man Thinketh", by James Allen "Think and Grow Rich" by Napoleon Hill The Bible is a motivation success manual, but you have to know where to find the right Scriptures amongst its many pages. This book puts the best of these money and wealth Scriptures together for you, and explains how you can use these principles to succeed in your own life. There are some who doubt that God wants His people to be rich, but He does. In fact, Jesus talked about money more times in the Bible than heaven and hell combined. Jesus also talked about money more than anyone else in the Bible. One person counted 2,350 verses in the Bible that talks about money. Money is important to us while we are in this physical realm. Have you ever had a prayer that wasn't answered? Do you desire a better life? Do you want to know that you have the money when the bills come? Do you want to believe that your prayers are answered when you pray? The author, Joseph Fuller, was once a struggling realtor who set out to find the secret of success. Joseph knew he was meant to have success as a Christian, but found that it was passing him by until, a few years into his career, Joseph studied the Bible and found the success he'd been hoping for. This book is based on a lifetime of Joseph's notes, and journals, as he discovered one success principle after another hidden in the pages of the Bible.
