

Minor-but-nagging setbacks continue to sour Grant and Audrey Whitmans initiation into the world of innkeeping, but larger challenges brew when an innocent flirtation leads to big trouble for the Whitmans son-in-law, Jesse. Jesse Penningtons friendly, outgoing personality has always served him well, especially in a career that has earned him and his wife Corinne a very comfortable lifestyle. But Corinne and Jesse are both restlessâ€™ and for similar reasons, if only they could share those with each other. Instead, too many business trips and trumped-up charges of harassment from a disgruntled coworker threaten their marriage and possibly put their three precious daughters at risk. With their life in disarray, God is tugging at their hearts to pursue other dreams. Can Corinne and Jesse pick up the pieces of what was once a wonderful life before it all crumbles beneath them?
