

Once again Stewart and Sam have found a way to recognize our great veterans. This book is an outstanding tribute to the men, women and families that have sacrificed for our country. Due to their tireless efforts, many veterans are now getting the recognition they deserve. Stewart and Sam have the gift of being able to draw out the hidden and forgotten stories from these heroes. They have put their priceless words on record, so future generations can appreciate what has been given to preserve our freedom. - LTC Dwight D. Richins, EN, US Army Reserves
